

Warm-Up Activity

Warm-Up Activity: Number Counter

Problem Statement:

Create a **number counter** that allows users to count up to a certain number using either a **for loop** or a **while loop**.

Steps to Follow:

1. Ask the user to **enter a number (N)** to count up to.
2. Use a **for loop** to count from **1 to N** and print each number.
3. Use a **while loop** to count from **1 to N** and print each number.
